- * teams are encouraged to carry a minimum of 10 players
- * free throws - players are allowed to jump across the shooting line - coaches may decline the free throw for possession of the ball except on a shooting foul where the basket will count (if the shooter scored) and the shooter receives a free throw
- * games will be 36 minutes in length - 9 four minute shifts - the game will stop and each team will change their players - equal playing time - no player can start a second shift until all players have played their first shift - this will be tracked on the score sheet - there will be no stop time in the last minute of the game and there will be no overtime for ties
- * no-press rule - once a team has possession of the ball the opposing team must drop back to half - no zone defense
- * the last shift is an open shift, coaches can play whomever they like
- * scores will be kept, but if the difference is 20+ points then scoring will stop - please let your players and parents know
- * parking is not free at either SLC or McArthur - please let your drivers know

* athletes must be supervised at all times
